

## Create a 2-minute Video

### 15 sec = Introduction

- Who am I
- Where am I
- What do I represent (teacher, business, community, parent, student)

### 45 sec = Tip

- Share what you believe CTE is (Career & Technical Education)... and share your favorite resource or activity.

### 45 sec = Best Story / Experience

- Pro/Con (Please keep it appropriate and remember others from your community & staff may see this). Choose something that tells about a CTE project you have seen or been part of.

15 sec = What you think CTE has prepared you for or has prepared others for?

Submit it to [www.schooltube.com](http://www.schooltube.com)

*Every teacher can get a free account, and this platform has been approved by the State for sharing. You can also put the link onto ASTE's IditaMovie contest ([www.aste.org](http://www.aste.org)) to be considered for prizes!*
